

DSDE 2022

The 5th International Conference on Data Storage and Data Engineering

2022年第五届数据存储与数据工程国际会议

February 25–27, 2022 | Sanya, China

2022年2月25–27日 | 中国三亚

2022 5th International Conference on Data Storage and Data Engineering (DSDE 2022) will be held in Sanya, China during February 25-27, 2022. DSDE is a forum for presenting excellent results and new challenges facing the field of Data Storage and Data Engineering. This conference offers good opportunities for the delegates to exchange new ideas, and to establish research and/or business links, as well as to build global partnership for potential collaboration.

As your safety is our top priority and concern, the conference has added online attendance/ presentation for participants in case of you cannot attend the conference because of the COVID-19. Participants will benefit of registration fee reduction after choosing online attendance/ presentation. Accepted papers after registration and online presentation will still be published normally.
